DR. TAN THAI SOON

An experienced management and tax consultant, currently serving as the Managing Director of TST Consulting Group and the Asian Institute of Knowledge Management. He holds a Doctor of Business Administration from the University of Newcastle, Australia, a Master of Science in Management Accounting and Planning from Universiti Utara Malaysia, and a Bachelor's degree in Economic Studies from the University of Newcastle, UK.

He is a Fellow Member of both the Chartered Tax Institute of Malaysia (FCTIM) and the Malaysian Institute of Management (FMIM), a Member of the Institute of Public Accountants (MIPA), and an Associate Member of The Institute of Internal Auditors Malaysia (AIIA). In addition, he is an Approved Tax Agent, Approved GST Agent, Certified Financial Planner (CFP), Registered Financial Planner (RFP), and Registered Trust and Estate Practitioner (TEP).

With over 20 years of professional experience in management consulting and taxation, he began his career with an international consulting firm, where he undertook major assignments such as feasibility studies, housing project monitoring, corporate recovery, and receivership engagements. He is also a registered trainer with the Malaysian Human Resources Development Fund, delivering programmes in Corporate Tax, Real Property Gains Tax, Goods and Services Tax, Corporate Directors Training, Knowledge Management, and Innovation.

His thought leadership extends to publishing articles in both local and international journals, contributing to national newspapers, and serving on the editorial board of the Asian Journal of Knowledge Management. He is also the author of several books on taxation, knowledge management, and innovation.

ALINA YOON

Ms. Alina Yoon has over 25 years of banking, training and consultancy experience, specialising in Credit, Trade Finance, AML/CFT, compliance and regulatory matters.

She began her career with a leading listed local bank, where she spent 12 years in branch operations before moving to the Head Office's Knowledge and Learning Centre. She subsequently served as Head of Credit and Trade Finance School, overseeing training and professional certification programmes across the bank.

With more than 15 years of training experience, Alina has designed and delivered programmes for banks, financial institutions, SMEs and non-bank lending organisations in Malaysia and overseas, including Vietnam, Cambodia and Sri Lanka. She has also conducted programmes for SIDC, Bursa Malaysia-listed companies and FSTEP participants.

Her consultancy experience includes advising financial and non-financial institutions on regulatory compliance, corporate governance and AML, including the drafting and review of AML manuals and conducting AML programmes for senior management, compliance officers and frontline staff.

Alina holds a Master of Science in Banking from Universiti Utara Malaysia (UUM) and professional qualifications including Certified Credit Professional (Business), CCP-Islamic (Business), Certified Documentary Credit Specialist (LIBF, UK) and Certified AML/CFT & Regulatory Compliance Officer (UMS-CfPD).

She has been a HRD Corp Certified Trainer since January 2022.
